

November 24, 2008

Dear Soccer Supporter,

In appreciation for your past support, we are extending this invitation prior to releasing general invitations to the community at large. As someone who has attended the Soccer Gala previously, you know what a great time this is and what to expect. We have consistently sold out to capacity and expect this year to continue the tradition. We are holding reservations for past supporters until December 1, 2008. After that date, we will open reservations to our soccer community and the wider community in general.

LaVera Party Center is making preparations, The Spazmatics are booked to rock the house, we are gathering great prizes for the Silent Auctions and ***we are hoping you will join us for the Seventh Annual Party of the Year.***

This is the only fund-raiser the Club holds. Your past support has made the Mayfield Soccer Club one of the elite Clubs in this area. This translates into a well-rounded program designed to allow our children to challenge themselves physically and mentally, understand the game of soccer and enjoy competition in a positive atmosphere.

A brief list of Club programs includes:

- Continued development of our web site (visit us at www.mayfieldsoccer.com),
- Ongoing coaching education and certification
- Kids Safe Program.
- Full-Time Technical Director dedicated to the further training and development of our soccer players.
- Scholarship program for both a male and female member of the High School soccer team.

The list goes on and on. Year over year incremental improvement has gotten the Club to an enviable position compared to neighboring communities programs. Please come support your children's club. Everything you need to know about this season's event is enclosed. We guarantee you a great time.

We look forward to seeing you on January 31, 2009.

Respectfully yours,

Brian Kane
