Mission Statement

The aim of the Mayfield Soccer Club is to promote an appreciation for the sport by providing progressively higher levels of competition within a safe supportive teaching environment.

At the recreational level, our purpose is to instill in our youth players a sense of enthusiasm, self-confidence and teamwork by emphasizing the game's basic fundamentals.

At more competitive community league levels, our purpose is to further develop our players as "students of the game", reinforcing more advanced technical skills, tactical awareness, physical conditioning and sportsmanship by providing more advanced coaching.

We endeavor to develop our members into outstanding players and student-athletes who will exceed in high school and higher-level soccer programs.
